## OCTOBER MEETING

The Abraham Baldwin Chapter Daughters of the American Revolution met in the Veteran's Building, on Saturday, October 20, 2018 with Chapter Regent Stephanie Ray presiding and leading the DAR Rituals, which include the opening prayer, American's Creed, Pledge to the Flag of the United States of America, and the Preamble to the Constitution.

Representative Nix speaking on the subject,

“Proud to be an American” chose to organize his remarks around the letters D A R. The D stands for Daughter and daughters have a positive position in a family. They represent their fathers and proudly claim to be his daughter and able to answer for him when needed. The A stands for American with Ideals like the Constitution and the Declaration of Independence to guide us boldly, empowering the people to rule themselves. Like Lee

Greenwood each individual can proclaim I Am Proud to be an American! The R recognizes the necessity to Revolt in order to gain our Independence. He read parts of the Constitution and the Declaration of Independence to remind us of the importance of these powerful documents and the excellent manner in which they can guide us. The Pledge

of the 56 Signers shows their firm reliance on the protection of divine Providence: “we mutually pledge to each other our Lives, our

Fortunes, and our sacred Honor.” He closed his remarks by asking all DAR members present to stand and applaud themselves for their Dedication, Determination, and Dignity!

## October Meeting - Contd.

Students of the Carroll County College and Career Academy Cheyenne Baker and Pierce Simmons recorded the program.

Pictured on the left is member Helen McCall Juarez and she was presented by Joan Finch (right). Helen is a Social Worker who strives to fill the needs of the homeless children and their families in the Temple Cluster of Schools (Temple, Sharp Creek, and Mt. Zion). The teachers and counselors recognize the needs and contact her to get the items like clothing, hygiene products as well as help with emotional needs. Donations to help provide these items are needed and appreciated.

Violette Denney with Terry Lowry, who received the Community Service Award Certificate and lapel pin.

Chapter Regent Stephanie Ray welcomed Representative Randy Nix and his wife Debbie, as well as all the other members and guests.

**Urgent:** We need blankets for the families of the homeless children we are helping at Temple Elementary. They do not need to be new just clean. Many of these families do not have heat or at least very drafty conditions wherever they are staying. We are also collecting clothing for children PreK to 5th grade. Underwear, socks, pants, sweatshirts or tee shirts etc. We have already sent over some things. If you missed our meeting Helen Juarez told us there are 43 homeless children at Temple Elementary. Please help, whatever you are able to do. You may leave things with Joan Finch at the Carroll County Chamber of Commerce; 200 Northside Dr.; Carrollton.

# Community Service - Take Goodies to your local fire department

Alice Robinson and Tina Clune met with First Responders at Carroll County Fire Station No. 3, located in the Sandhill Community on Friday, October 12th; Violette Denney delivered her famous brownies earlier in the week. These gentlemen were very appreciative of the refreshments for their station. October is Community Service month for the NSDAR and Abraham Baldwin Chapter members have honored our First Responders at local Carroll County Fire Stations.

On the 11th of October the National Society Daughters of the American Revolution (I am a life member), will celebrate its 128th birthday! In recognition of this special day, a National Day of Service is planned and each member is requested to perform an act of service. I decided to take brownies and a special appreciation card to the Fire Station at Sand Hill, Carroll County, GA. It was so nice to surprise two fireman, Jordan Porter and Zack Violette Denney

I went to the Temple Fire Department and no one was there. I did take a picture of the outside of the fire department. The door was opened so I left the cookies on a recliner with a card from the Abraham Baldwin Chapter
